THE UNIVERSAL CAR

Reduction in Prices of Ford Products

The War is over and war prices must go. Effective at once Ford Cars, Trucks and Tractors will be sold f.o.b. Detroit at the following prices:

Touring Car, regular, \$440. Touring Car with starter, \$510.
Runabout, regular, \$395. Runabout with starter, \$465.
Chassis, \$360. Coupe with starter and demountable rims, \$745.
Sedan with starter and demountable rims, \$795.
Truck with pneumatic tires, \$545. Tractor, \$790.

The Ford Motor Company makes this reduction in the face of the fact that they have on hand immediate orders for 146,065 cars and tractors. The Company will suffer temporary loss while using up material bought at high prices. They are willing to make the sacrifice in order to bring business back to a going condition as quickly as possible and maintain the momentum of the buying power of the country. Henry Ford says: "The war is over and it is time war prices were over. There is no sense or wisdom in trying to maintain an artificial standard of value. For the best interests of all it is time a real practical effort was made to bring the business of the country and the life of the country down to regular pre-war standards." We are at your command with regular Ford efficiency in service and eagerness to fill your orders.
